

How to Register and Access Shellbacks Toronto ZOOM™ Sessions V01

Multi-Step Process

- You register for ZOOM – Only one registration required for all ZOOM sessions in a season, (Spring or Fall).
 - You can use the same personalized link to join just one ZOOM session, several ZOOM sessions, or all ZOOM sessions in the season.
- You will receive an email from ZOOM with a link specific to you. Please do not share this email or your personalized link with another one else. ***This helps reduce ZOOMBOMBING!***
- *Each person needs to register individually.* Again, to reduce ZOOMBOMBING.
- You will receive an email from ZOOM with the personalized details to join any ZOOM session in the season.
- The email you receive from ZOOM can be used to create an entry in your calendar for each Shellbacks Toronto session.
- While you don't have to register for each session in the season, you can register again if you can't find the link.

Key Take Aways

- Accessing Shellbacks Toronto ZOOM Sessions is a multiple step process
 - Step one – You register once as it covers all sessions in the season, no matter how many of the season’s ZOOM sessions you join.
 - Step two – You will receive email from ZOOM confirming registration and use it to add days to your online calendar
 - Step 3 – You can use personalized details in the email you received from ZOOM or from the appropriate entry in your online calendar to join a particular ZOOM Shellbacks Toronto session.
- While you don’t have to register for each session in the season, you can register again if you can’t find the link.
- **Please do not share your ZOOM registration confirmation email or your personalized link in it with another one else.**
